STATEMENT OF PROBABLE CAUSE
(For issuance of an arrest warrant or summons)

I state that on June 17th, 2022 while exercising my duties as a law enforcement officer in the CASPER District of North Carolina, I PFC Bateman was dispatched to 64 Yankin Gate on Yankin Road in reference to a possible DWI. Upon arrival I met with Ryan, the driver of the white in color Challenger, during my interaction with Ryan I noticed he had bloodshot and watery eyes as well as the odor of metabolizing alcohol on his breath. I determined further investigation for DWI was necessary so I conducted SFST's and the results provided me reason to continue the investigation. Ryan agreed to a PBT on scene in which he blew .18 BAC. Ryan was detained and taken to the Fort Bragg PMO for an Intox screening which he was considered a refusal to blow because of his inability to cooperate. Subsequently, Ryan was released to his unit.

The foregoing statement is based upon:

my personal observation my personal investigation
 information supplied to me from my fellow officer's observation
 other (explain above)

I declare under penalty of perjury that the information which I have set forth above and on the face of this violation notice is true and correct to the best of my knowledge.
